**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH
REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT
ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 AND ON
THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

To the Honorable Mayor and Members of
the Board of Aldermen
New Haven, Connecticut

Compliance: We have audited City of New Haven, Connecticut's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011. The City of New Haven, Connecticut's major federal programs are identified in the summary of independent auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City of New Haven, Connecticut's management. Our responsibility is to express an opinion on the City of New Haven, Connecticut's compliance based on our audit.

The City of New Haven, Connecticut's basic financial statements include the operations of the New Haven Parking Authority a component unit of the City. Our audit, described below, did not include this component unit because it was not required to have an OMB Circular A-133 Audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of New Haven, Connecticut's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of New Haven, Connecticut's compliance with those requirements.

In our opinion, the City of New Haven, Connecticut complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

Internal Control Over Compliance: Management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards: We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2011, and have issued our report thereon dated February 14, 2012. We did not audit the financial statements of the New Haven Parking Authority, a discretely presented component unit of the City, our audit includes a reference to other auditors. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the City of New Haven, Connecticut's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of management, the Board of Aldermen and its Finance Committee, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

McGladrey & Pullen, LLP

New Haven, Connecticut

CITY OF NEW HAVEN, CONNECTICUT

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended June 30, 2011**

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the City of New Haven, Connecticut and is presented on the modified accrual/accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133 "Audits of States, Local Governments and Non-Profits Organizations". Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Component Units

The schedule does not include any expenditures of federal awards of the City's discretely presented component units.

Note 2. Non-Cash Awards

The City of New Haven's National School Lunch Program receives noncash federal awards in the form of food commodities from the Department of Agriculture. The City also receives noncash federal awards through the U.S. Department of Health and Human Services in the form of vaccines.

Noncash awards are reported in the schedule at the fair market value of the items received and disbursed. The market value of the items issued is included in the Schedule of Expenditures of Federal Awards as follows:

Food Commodities	\$ 565,711
Vaccines	\$ 25,564

Note 3. Housing and Urban Development (HUD) Section 108 Loans

The City has entered into two Federal HUD Section 108 Loans.

	2010	Issued	Retired	2011
HUD 108 Loans	\$ 2,910,000	\$ -	\$ 230,000	\$ 2,680,000

Note 4. Subrecipients

Of the expenditures presented in the Schedule of Expenditures of Federal Awards and State Financial Assistance, the City provided the following federal awards to subrecipients:

Name of Program/Project	CFDA Number	Amount Provided to Subrecipient
Airport Improvement	20.106	\$5,651,759

CITY OF NEW HAVEN, CONNECTICUT

SCHEDULE OF FINDINGS AND QUESTIONED COSTS, Continued
For the Year Ended June 30, 2011

II. FINANCIAL STATEMENT FINDINGS

A. Significant deficiencies in Internal Control

IC11-01 Journal Entries

Criteria:

The review and approval of nonstandard journal entries should be adequately documented as evidence of proper internal control.

Condition:

It was noted that several individuals within the Controller's Office have been authorized to make non-routine entries, which are outside the normal scope of daily processing, to the MUNIS system. The entries are being regularly reviewed and approved; however, documentation evidencing this is not maintained.

Context:

Systemic

Cause:

Procedures have not been established to ensure that the review and approval of nonstandard journal entries is documented and maintained as evidence of this control.

Recommendation:

Management should formally document the review and approval process for nonstandard entries that are posted to the general ledger.

Management's Response:

We concur with the recommendation and are in the process of implementing suitable procedures.

IC11-02 Capital Assets

Criteria:

In order to record, reconcile and depreciate the City's capital assets, a system needs to be in place in which capital asset transactions are properly recorded and analyzed on a timely basis.

CITY OF NEW HAVEN, CONNECTICUT

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS, Continued
For the Year Ended June 30, 2011**

Condition:

The City does not have an adequate process in place to recognize which expenditures should be recorded as capital assets and which capital assets should be retired.

In addition, in the past several years, a limited amount of capital asset disposals have been recorded. Although management performs an annual review of the detailed fixed asset listing, fixed asset disposals may be occurring that are not being reported to management.

Context:

Systemic

Cause:

Purchases are not flagged as capital assets during the purchasing phase.

Effect:

Capital asset transactions may not be reported in accordance with generally accepted accounting principles and the financial statements can be misstated.

Recommendation:

We recommend the City implement a process that will better track capital projects and recognize when long term projects are complete. The City should implement a process where each invoice is reviewed to identify which items should be recorded as a capital asset. The City should also implement a review process of old assets that may be disposed of.

Management's Response:

Use of capital asset financial information by management and the Board of Aldermen for decision making is limited, and as a result, development of comprehensive accounting policies and procedures in this area has historically been treated with a lower relative priority. Those facts notwithstanding, we concur with the recommendation, and will begin the process of reviewing the current capitalization policy, and designing procedures to ensure that capital assets are properly analyzed and recorded on a timely basis.

CITY OF NEW HAVEN, CONNECTICUT

SCHEDULE OF FINDINGS AND QUESTIONED COSTS, Continued
For the Year Ended June 30, 2011

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

A. Internal Control Over Compliance

None Reported

B. Compliance Findings

None Reported

**CITY OF NEW HAVEN, CONNECTICUT
SUMMARY OF PRIOR YEAR AUDIT FINDINGS
For the Year Ended June 30, 2011**

Finding No. IC10-1.

Criteria:

Auditing standards require internal control policies and procedures to enable the preparation of financial statements in accordance with generally accepted accounting principles (GAAP).

Condition:

The City's internal control procedures did not prevent misapplication of GAAP, which resulted in a restatement of the prior year's financial statements.

Current Status:

Condition has been remediated.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH "GOVERNMENT AUDITING STANDARDS"**

To the Honorable Mayor and Members of
the Board of Aldermen
New Haven, Connecticut

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2011, which collectively comprise the City of New Haven, Connecticut's basic financial statements, and have issued our report thereon dated February 14, 2012. Our report includes a reference to other auditors. In addition, our report includes a modification related to the adoption of a new accounting standard. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the New Haven Parking Authority were not audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*.

Internal Control Over Financial Reporting: Management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified deficiencies in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs, that we consider to be significant deficiencies in internal control over financial reporting as items IC11-01 and IC11-02. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters: As part of obtaining reasonable assurance about whether the City of New Haven, Connecticut's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the City of New Haven, Connecticut in a separate letter dated February 14, 2012.

The City of New Haven, Connecticut's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the City of New Haven, Connecticut's response and accordingly, we express no opinion on the response.

This report is intended solely for the information and use of management, the Board of Aldermen and its Finance Committee, others within the entity, the Office of Policy and Management and federal and state awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

McGladrey & Pullen, LLP

New Haven, Connecticut
February 14, 2012

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE
WITH THE STATE SINGLE AUDIT ACT AND ON THE SCHEDULE OF
EXPENDITURES OF STATE FINANCIAL ASSISTANCE**

To the Honorable Mayor and Members of
the Board of Aldermen
New Haven, Connecticut

Compliance: We have audited the compliance of the City of New Haven, Connecticut, with the types of compliance requirements described in the *Office of Policy and Management's Compliance Supplement* that could have a direct and material effect on each of the City of New Haven, Connecticut's major state programs for the year ended June 30, 2011. The City of New Haven, Connecticut's major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major state programs is the responsibility of the City of New Haven, Connecticut's management. Our responsibility is to express an opinion on the City of New Haven, Connecticut's compliance based on our audit.

The City of New Haven, Connecticut's basic financial statements include the financial data of the New Haven Parking Authority a component unit of the City. Our audit, described below, did not include this component unit because it was not required to have an audit in accordance with the State Single Audit Act.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 – 4-236). Those standards and the State Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the City of New Haven, Connecticut's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of New Haven, Connecticut's compliance with those requirements.

In our opinion, the City of New Haven, Connecticut complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2011.

Internal Control Over Compliance: Management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to state programs. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over compliance with requirements that

could have a direct and material effect on a major state program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of State Financial Assistance: We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2011 and have issued our report thereon dated February 14, 2012. We did not audit the financial statements of the New Haven Parking Authority, a discretely presented component unit of the City. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the City of New Haven, Connecticut's basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required the State Single Audit Act and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the management, Board of Aldermen and its Finance Committee, others within the entity, the Office of Policy and Management, and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

CITY OF NEW HAVEN, CONNECTICUT

NOTES TO SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE For the Year Ended June 30, 2011

Various departments and agencies of the State of Connecticut have provided financial assistance to the City of New Haven, Connecticut, through grants and other authorizations in accordance with the General Statutes of the State of Connecticut. The financial assistance programs fund several programs including education, economic and community development, environmental protection, library, health, public safety, social services, developmental services, emergency management and homeland security and transportation.

Note 1. Summary of Significant Accounting Policies

The accounting policies of the City of New Haven, Connecticut conform to accounting principles generally accepted in the United States of America as applicable to governments. The following is a summary of the more significant policies relating to the aforementioned grant programs.

Basis of accounting

The financial statements for the governmental fund types contained in the City of New Haven's basic financial statements are prepared on the modified accrual basis of accounting. The financial statements for the business-type activities are prepared on the fund accrual basis of accounting.

- Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities for the current period.
- Expenditures are generally recorded when a liability is incurred except for debt service expenditures, as well as expenditures related to compensated absences, pension obligations, claims and judgments, and other post-employment benefits which are recorded only when payment is due (matured).

The Schedule of Expenditures of State Financial Assistance, contained in this report, is prepared based on regulations established by the State of Connecticut Office of Policy and Management. In accordance with these regulations (Section 4-236-22), certain grants are not dependent on expenditure activity, and accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the Schedule of Expenditures of State Financial Assistance.

Note 2. Component Units

The schedule does not include any expenditures of State awards of the City's discretely presented component units.
